A Message from the STH Sno-Riders

With consistent snow from late December to March, the Southern Tug Hill Sno-Riders took advantage and groomed over 50 consecutive days last season. Our volunteers provided some amazing trail conditions. The thoughts of fresh snowfall and cold nights has us eager to get back to grooming and riding.

The Southern Tug Hill Sno-Riders maintain 66 miles of groomed snowmobile trails in the southernmost section of Lewis County. Points of interest within our trail system are Milk Plant Tavern, Hilltop Market, The Hideaway Restaurant, Barrows Performance, Highmarket Inn, and Circle K service station in Constableville. The Southern Tug Hill Sno-Riders own and operate four tractors with track conversion kits with various types of drags. Our club aims to groom every section of our trail system five to six nights per week (weather permitting). Last year, the club groomed approximately 5,000 miles of trails with well over 1,500 volunteer hours.

Recent rainfall and catastrophic flooding throughout our trail system have caused damage to multiple bridges and culverts. STH volunteers will be working hard this fall to repair the damaged trails and prepare for the cold and snow.

Moving forward into the 2021-2022 snowmobile season, The Southern Tug Hill Sno-Riders would like to express the importance of ***JOINING WHERE YOU RIDE*** and that joining and supporting more than one snowmobile club is not only allowed but encouraged! The Southern Tug Hill Sno-Riders is looking forward to working with other clubs to educate snowmobilers on this important topic.

Please look to support the Southern Tug Hill Sno-Riders at one of the many events held throughout the fall and winter. We're always in need of new volunteers to help with all types of volunteer tasks. Don't let distance prevent you from helping. Tug Hill is beautiful place to visit during all seasons. Make a weekend out of it while supporting a good cause.

STH Membership Incentive Program

As you know, volunteer snowmobile clubs regularly maintain a great portion of snowmobile trails across New York State. The men and women of these clubs dedicate their time throughout the entire year to make sure that when the snow flies, the trails are cleared, signed, marked and groomed.

Without the snowmobiling population joining clubs and increasing club membership, this trail work would not be possible. For every club membership that the Southern Tug Hill (STH) Sno-Riders receives, 83% of that money goes directly towards supporting trail maintenance, signage and/or grooming.

The Southern Tug Hill Sno-Riders is proud to announce a program that will automatically enter all paying STH members into a raffle. Participants will be eligible for one of four great prizes. To qualify for this incentive, you must join STH by **December 3rd, 2021** to be entered to win. The prizes include:

First Prize: \$100 Gift Certificate to Milk Plant Tavern

Second Prize: \$100 Gift Certificate to The Tug Hill Hideaway

Third Prize: \$100 Gift Certificate to the Highmarket Inn

Fourth Prize: \$100 Gift Certificate to the Hilltop Market – West Leyden, NY

STH membership can be obtained through using the **Join Now** button at www.ridetughill.com, at <https://membership.nysnowmobiler.com/clubs/960> or by using the application located on the next page.
